Dear Ministry Partners,

I write to thank you for your generous and faithful support of the Shepherd of the Streets ministry and to ask for your continuing financial giving. All of the donations that we receive make a difference in someone's life. Your faithful support helps to purchase prescription medications for those who could not otherwise afford them. Your faithful support is providing eye examinations and glasses so that vision might be restored. Your faithful support is enabling our clients to travel to their required medical appointments. Your faithful support is providing essential hygiene and personal care items as well as essential items for mothers and their babies. Without you the Shepherd of the Streets ministry would cease to exist. Thank you for your faithfulness to the Lord and to this vital ministry to individuals and families here in Lycoming County.

Please prayerfully consider this request to continue your financial support of this ministry. Allow me to remind you to send all correspondence to, The Shepherd of the Streets, P. O. Box 2184, Williamsport, PA 17703.

Please know I am always willing to speak with groups about the Shepherd ministry. If you are a part of a group that would welcome a Shepherd presentation, then please contact me at your earliest possible convenience. We also have a brief Shepherd video available if your local church would like to offer a Shepherd presentation during worship or Sunday school.

The Shepherd of the Streets ministry exists because of your commitment to Jesus Christ and your concern for the least, the last and the lost of Lycoming County. Again, thank you!

In Christian Love,

Pastor Mark
