Dear Teammate,

God answered your prayers for the Epic Winter Conference, January 12-14 at the

Sandy Cove Retreat Center in northern Maryland. We thank God that we had no snow or ice for the trip there or back. 84 students attended from 8 campuses, plus alumni and staff. Over 40 were from Penn State.

**Praise God that at least 2 students placed their faith in Jesus for the first time. and 19 people recommitted their life to Christ.**

On Sunday there was a valuable workshop on how to write a personal testimony. Pray that students will share their testimonies with their non-Christian friends and many will come to know the Lord. John facilitated the Small Discussion Groups, finding leaders & placing students in the groups. Both John and I had the joy of leading Small Group discussions, helping students process what they learned at the conference.

Thank you for enabling us to continue to minister to this generation of students, seeking to connect them to Jesus and help them become His faithful disciples.

**Prayer Requests:**

\*\*Pray the non-Christians involved will come to Christ, and the new believers will grow.

\*\*Pray for students as they make plans for the summer and for next year. Pray that many will choose to go on summer missions, and some will serve on one year mission teams.
