

EXPERIENCE MISSIONS

Get Involved • Be Inspired

Spotlight

We are grateful for a 7,000 square foot warehouse to host ministry packing events. At every event we clearly share the gospel and give glory to God! John 14:6

Meet our delightful grandson, Bryson, 8 mos. He is one of our 4 grandkids. This little fella, his 2 yr. old sister, Selah, and parents, Bryce and Kathleen Davis, live in Ephrata PA.

We collect Christian literature year round. The best time to deliver items is to bring them with you to a scheduled event. Visit our "Resource" page on our website for details.

Spring/Summer 2025

Making History Again by the Grace of God!!!

Because of the generosity of so many, we amazingly raised \$50,350 + prize money + stretch funds through our 11th year with Raise The Region fundraiser - enough money to pack a full shipping container!!!

Plans are already underway for our largest and longest food packing event since the inception of the Experience Missions project 14 years ago...

You can make history with us next Fall/Winter/Spring as we will cross the ONE MILLION MEAL MARK since our partnership with Kids Around The World starting in 2020!

More information will be shared by email in the coming months.
