SUMMARY OF GIVING FOR 2025

January 14, 2026

Dear Lycoming Centre Presbyterian Church,

As we're closing the book on 2025 and looking forward to 2026, I want to thank you all for your incredible generosity to Camp Susque. Looking back at this year, it is incredible to consider how God worked through this ministry. We have some very obvious examples of this: Completing a brand new pool, debt free and opening just in time for summer camps; fully staffed summer program; highest summer camp enrollment, ever!, 39 field trips from local schools; 58 School of discovery classes; 6 Youth Summits; 108 total hosted "events" outside of summer programs, and much more.

These numbers are a strong testimony to the support that Camp Susque has received from you and our community, and they're an indication of growth. However, as much as I love to spend time "in the numbers" – the real impact of Susque can't be found in spreadsheets or ledgers – it is found in the hearts of the campers, staff, and guests that have encountered their creator and been moved by God's word and the Holy Spirit. While we intentionally do not track conversions, there is no shortage of seeing the blessing of pursuing our mission of Biblical evangelism and growth in Christian character for youth, young adults, and families. We are blessed to often hear and see the impact Susque has had on the lives of those that have been involved here, but more importantly, we can trust that God's word does not return void, and as we continue to focus on sharing it, we know that it will have changed hearts.

Thank you for your work this year to help us create an environment that contributes to this growth and change. Your work is part of our work. Your partnership and investment in Camp Susque this past year have eternal consequences that represent a value that we can't even count. This letter details your financial investment this past year, and we want to assure you that if there were a chart to detail the return, the line would just be vertical! Thank you again for your support, and we boldly ask that you continue your investment and take a step further, and pray for it and for us as we move into 2026 and beyond.

In Awe of Him,

Peter Swift
Executive Director

PS – If your gift was through Raise the Region or a donor-advised fund, please note that this is not a formal receipt, just an acknowledgement. Receipts from DAF and Raise the Region will be from those organizations specifically.
